National Volunteer Week – celebrating the millions of volunteers in our community !

Thanks to the volunteers of St Jude's Community Visitors Scheme !

Friendships making a difference

The Community Visitors Scheme is an Australian Government-funded program to enhance the quality of life of aged care residents. Through regular visits, CVS volunteers offer friendship, especially to those with limited social contacts. These visits benefit residents by reducing feelings of loneliness, isolation and depression.

We currently visit residents in 5 aged care facilities in Brighton and Hove.

Because of COVID-19, all face-to-face visits by volunteers have been suspended temporarily. However, the pandemic *is* expected to fade over time, *and we continue to welcome local volunteers from all ages and different backgrounds who will enjoy a chat with older people !*
